

- Electric & Pneumatic Linear Actuators
- Electric & Pneumatic Grippers
- Electric & Pneumatic Rotary Actuators
- Gantry Systems
- Feeding Solutions

Airpot

- Precision Dashpots
- Piston/Cylinder Sets
- Anti-Stiction Cylinders
- Air Bearing Cylinders
- Snubbers

AMERICAN
GRINDING &
MACHINE CO.

- Brute Machine Bases & Carts
- Large Scale Machining & Grinding
- Custom Machining Base Fabrication
- Precision Grinding
- Dial Plates
- Torque & Angle Measurement
- Pneumatic Grinders, Wrenches and Polishers

- Radial & Orbital Forming
- Riveting Machines
- Automated Presses
- Manual Presses
- Integrated & Bench Top Solutions

- Mechanical Rotary Index Drives
- Servo Rotary Index Drives
- Precision Conveyor Solutions
- Part Handlers
- Custom Cams

- General Purpose Direct Drive Motors
- High Precision Direct Drive Motors
- Electric Linear Actuators
- Multi-Axis Servo Actuators

- Worm Gearboxes
- Harmonic Gearboxes
- Planetary Servo Gearboxes
- Slewing Solutions
- Stainless Steel Gearboxes

- Manual Toggle Clamps
- Pneumatic Power Clamps
- Pneumatic Swing Clamps
- Pneumatic Clamps
- Hydraulic Clamps

- Slide Guides
- Cross Roller Rail Sets
- High Precision Positioners
- Roller Tables and Slides
- Linear Actuators

- Handheld Screw Driving Equipment
- Automated Screw Driving Equipment
- Screw Feeding
- Torque & Angle Measurement
- Pneumatic Grinders, Wrenches and Polishers

- Low Profile Conveyors
- Angle Framed Conveyors
- Cleated Belt Conveyors
- Indexing Conveyors
- Certified Food Grade Conveyors

- Auto Feed Drill & Tapping Units
- Lead Screw Tapping Units
- Multi-Spindle Heads
- Servo Feed Ball Screw Units
- Clutch Type Tapping Heads

- General Purpose VFDs
- High Performance VFDs
- Pump Control VFDs
- Elevator Control VFDs
- HVAC Building Services VFDs

- Oven Conveyors
- Ovens
- Parts Washing Conveyors

- Workspace & Storage Solutions
- Custom Work Benches
- Mobile Cabinets

- SmartMotor™ - Programable servo motor system with integrated encoder, amplifier and controller.
- Actuators
- Gearheads

- Pneumatic Grippers
- Electric Grippers
- Pneumatic Rotaries
- Pneumatic Slides
- Pneumatic Escapements

- Safety Switches
- Safety Light Curtains
- Safety Controllers
- Safety Locks
- E-Stops and Control Panels

- PINSTAMP® - Dot Peen Pneumatic and Electric Versions of both Fixtured and Handheld Marking Systems.
- LASER SYSTEMS - YVo4, FIBER, YAG, and Co2 lasers for UID, MOTF, UDI, 2D and virtually any material or application.
- Turnkey Integrated Solutions

- NEMA and IEC AC Motors
- Large Synchronous Motors
- Large DC Motors
- Large Induction Motors
- Fractional HP Motors
