

OUR VENDORS

- Electric & Pneumatic Linear Actuators
- Electric & Pneumatic Grippers
- Electric & Pneumatic Rotary Actuators
- Gantry Systems
- Feeding Solutions

- Air Leak Testers
- Flow Testers
- Gas Tracers
- Electrical Testers
- Battery Testers
- Collaborators
- Software

- Mechanical Rotary Index Drives
- Servo Rotary Index Drives
- Precision Conveyor Solutions
- Part Handlers
- Custom Cams

- Worm Gearboxes
- Harmonic Gearboxes
- Planetary Servo Gearboxes
- Slewing Solutions
- Stainless Steel Gearboxes

- General Purpose Direct Drive Motors
- High Precision Direct Drive Motors
- Electric Linear Actuators
- Multi-Axis Servo Actuators

- Precision Dashpots
- Piston/Cylinder Sets
- Anti-Stiction Cylinders
- Air Bearing Cylinders
- Snubbers

- Radial & Orbital Forming
- Riveting Machines
- Automated Presses
- Manual Presses
- Integrated & Bench Top Solutions

- Laser, Photoelectric and Fiberoptic Sensors
- Proximity Sensors and Mechanical Switches
- Ultrasonic Sensors
- Rotary Encoders
- Cameras

- Manual Toggle Clamps
- Pneumatic Power Clamps
- Pneumatic Swing Clamps
- Pneumatic Clamps
- Hydraulic Clamps

- Handheld Screw Driving Equipment
- Automated Screw Driving Equipment
- Screw Feeding
- Torque & Angle Measurement
- Pneumatic Grinders, Wrenches and Polishers

- Slide Guides
- Cross Roller Rail Sets
- High Precision Positioners
- Roller Tables and Slides
- Linear Actuators

- Brute Machine Bases & Carts
- Large Scale Machining & Grinding
- Custom Machining Base Fabrication
- Precision Grinding
- Dial Plates
- Torque & Angle Measurement
- Pneumatic Grinders, Wrenches and Polishers

- Subminiature Circular Connectors
- Miniature Circular Connectors
- Power Connectors
- Connectors for Medical Applications
- Data Transmission and Power Supply
- Automation Technology – Distributor, AS Interface
- Solenoid Valve Connectors
- PUR/PVC Cable
- LED Lights

- Low Profile Conveyors
- Angle Framed Conveyors
- Cleated Belt Conveyors
- Indexing Conveyors
- Certified Food Grade Conveyors

HYPNEUMAT inc

- Auto Feed Drill & Tapping Units
- Lead Screw Tapping Units
- Multi-Spindle Heads
- Servo Feed Ball Screw Units
- Clutch Type Tapping Heads

- Oven Conveyors
- Ovens
- Parts Washing Conveyors

PATLITE

- LAN/USB/PoE/Wireless
- Signal Tower
- Signal Beacons
- Audible Alarm/Voice Synthesizer
- LED Lighting

- Safety Switches
- Safety Light Curtains
- Safety Controllers
- Safety Locks
- E-Stops and Control Panels

- PINSTAMP® - Dot Peen Pneumatic and Electric Versions of both Fixtured and Handheld Marking Systems.
- LASER SYSTEMS - YVo4, FIBER, YAG, and Co2 lasers for UID, MOTF, UDI, 2D and virtually any material or application.
- CUSTOM SYSTEMS - Turnkey integrated solutions, custom software packages and unique control interfaces.

- Mezzanines
- Modular Space
- Storage systems
- Freight lifts
- Line side assembly racks

- Servo motors
- Rotary actuator
- Ball screw actuators
- High performance gear heads

- Pneumatic Grippers
- Electric Grippers
- Pneumatic Rotaries
- Pneumatic Slides
- Pneumatic Escapements

- Electric Cylinders
- Linear Actuators
- Linear Rotary Actuators
- Linear Slide Actuators
- Grippers
- XY Stages
- Multi-Axis Actuators
- STACK Actuators
- Controllers
- Motors
- Encoders

- Air Conditioners
- Air to Air Heat Exchangers
- Filtered Fans
- Enclosure Accessories

- Photoelectric sensors
- Remote photoelectric systems
- Light curtains
- Industrial Light Curtains
- Measuring Light Curtains
- Optical Fork Sensors
- Optical Frame Sensors
- Power Supply Units
- Accessories

- General Purpose VFDs
- High Performance VFDs
- Pump Control VFDs
- Elevator Control VFDs
- HVAC Building Services VFDs

- Full line of plug & produce end-of-arm-tooling for collaborative applications
- Grippers
- Sensors
- Tool Changers
- One system, zero complexity with unified programming and easy deployment for collaborative and light industrial robots

- Hinged Steel Belt
- Chain Driven Live Roller
- Motor-Driven Roller
- Belt-Driven Live Roller
- Chain Belt
- Slider Belt
- Troughed Belt
- Wire Mesh Belt
- Powered Turntable
- Gravity Roller

- NEMA and IEC AC Motors
- Large Synchronous Motors
- Large DC Motors
- Large Induction Motors
- Fractional HP Motors
